STUDENT SUCCESS

This semester we highlight Beatriz Cervantes. Beatriz started her journey with UAC Adult Education by attending ESL classes. When she first enrolled in 2021 she was only able to put together three English words and now, not only is she well on her way to becoming an ESL graduate, but she also obtained her GED[®] credential in November 2023. She would like to pursue a degree in business in the future. Beatriz wants everyone to know “Do not be scared to pursue your goals and dreams, it is possible.” We at Adult Education wish the best for Beatriz and her future aspirations.

Staff Happenings

Welcome our new Adult Education Director Tammy Walker

I am from Nashville and have been in education for thirteen years. I have worked in a variety of positions throughout the K-12 educational environment including Classroom Teacher, Interventionist, Curriculum Director, School Improvement Specialist, District Testing Coordinator, and Instructional Facilitator. I earned my BSE in 2011 then added ESL Certification, MSE in Curriculum and Instruction, Curriculum Administration, and Building Administration. Prior to 2011, I worked at Tyson Foods in Nashville for six years in the Human Resources department. I enjoy the outdoors, traveling, sports, and social events with family and friends. I am always looking for opportunities to improve and strengthen myself as well as my team. I look forward to working with each of you here at UA Cossatot!
